

Welcome to the new monthly Broadland View newsletter! Here we aim to give you an insight into the goings on here at the home and the activities that our residents get up to, as well as any news and upcoming events.

Residents with dementia, get the time, support and consideration to keep them safe while living a high quality, fulfilling life as independently as possible.

All of our staff are special and have all been chosen because they really do care.

We have created what we believe is one of the most comfortable and homely care homes in Norfolk.

But don't just take our word for it, why not come and have a look for yourself. Please give me a call on 01603 432 050 to arrange a viewing.

MANAGER'S CHAT CLUB

We hold a weekly manager's chat club meeting on Fridays.

This is an opportunity for Sharon, the manager, to sit with the residents and discuss the past weeks events, and for the residents to raise any points of interest or activities that they would like to happen.

Our activities coordinator Hannah completes a write up of each of these meetings that are available to read.
